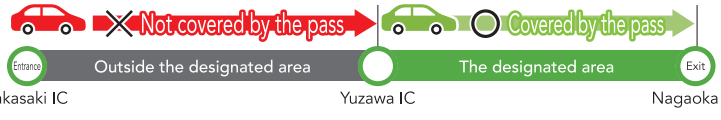
Examples of use not covered by the pass

If, after applying for the Niigata Drive Pass Rental Car Plan, you access and exit the expressway at interchanges which are not in the designated area, you will be charged the toll for the entire section of expressway you used.

If, after applying for the Niigata Area Plan (only for rental cars), you access the expressway at an interchange which is not in the designated area and exit at an interchange in the designated area, the pass only covers the section of expressway within the designated area.



Important notes

- ○Please use the car and the ETC card rented from the car rental store during the period of validity and in the specified expressway sections in accordance with the user guidelines.
- ○Depending on the date, time and section where you use the pass, there may be cases where the standard toll and ETC off-peak discounts might be cheaper. No refunds are available, even if the cost of your expressway use is less than the cost of this pass.
- ○When you use this pass, the standard toll is shown on the ETC lane display screen and the device in the car, but there will be no extra charges for expressway use that is covered by this pass.
- ○This pass covers travel using the rented ETC card and car during the period of validity for which you applied.
